Reconstruction Amendments Foldable

Directions: Follow the directions below to create your Reconstruction Amendments Foldable. Check off each step as you complete it. Be sure to follow the steps in order!

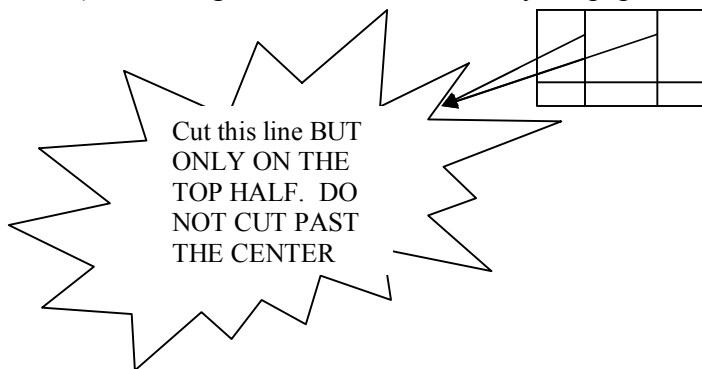

- Fold your paper into a “hamburger fold,” but leave a tab at the bottom of the page (do not fold the paper exactly in half):

- Fold your paper into thirds. The vertical lines are the new folds:

- On the bottom edge (the flap), write the following title: Reconstruction Amendments.
- Unfold your paper. On the top half (the folded side that is smaller than the side with the title), cut along the 2 folds that divide your paper into thirds.

- Label each flap with the number and title of one of the Reconstruction Amendments.
- On the inside of the flap, summarize the amendment.
Under the flap, write whether the amendment had a political, economic, and/or social effect on the nation. Be sure to explain WHY the amendment was a political, economic, and/or social effect.
