

## WRITTEN ASSESSMENT

In class today, you examined one aspect of the Freedmen's Bureau: its goal to provide land for freedmen so that they could be economically independent of white Southerners.

PART A: Using evidence from the documents examined in class, describe which statement below best describes the Freedmen's Bureau's success. CIRCLE THE STATEMENT WITH WHICH YOU AGREE.

*The Freedmen's Bureau was successful in providing land to freedmen for the purpose of making them economically independent.*

OR

*The Freedmen's Bureau was not successful in providing land to freedmen for the purpose of making them economically independent.*

PART B: In the space provided, support your choice in PART A. Be sure to refer to the documents studied in class as well as class discussion.
