

## RS#16 The Triangle Shirtwaist Factory Fire: Document Analysis

**Directions:** As you view the following film or website, please jot down notes on the Triangle Shirtwaist Fire.

| Who | What | Where | When | Why |
|-----|------|-------|------|-----|
|     |      |       |      |     |

**Document Analysis Directions:** Use the graphic organizer below to record information on each document.

(1) According to the document, who should assume responsibility and why? *The Workers, The Factory Owners, Building Owners, Weak Unions, or the Government.* (2) How does the authorship of the document potentially influence the perspective of the event (are there any obvious biases)?

| Source 1                 | Source 2                 |
|--------------------------|--------------------------|
| Responsibility (who/why) | Responsibility (who/why) |
| Perspective of author    | Perspective of author    |
| Source 3                 | Source 4                 |
| Responsibility (who/why) | Responsibility (who/why) |
| Perspective of author    | Perspective of author    |

|                          |                          |
|--------------------------|--------------------------|
| <b>Source 5</b>          | <b>Source 6</b>          |
| Responsibility (who/why) | Responsibility (who/why) |
| Perspective of author    | Perspective of author    |
| <b>Source 7</b>          | <b>Source 8</b>          |
| Responsibility (who/why) | Responsibility (who/why) |
| Perspective of author    | Perspective of author    |
