“**OURS IS A SPECIAL COMMUNITY**—  
committed to nurturing people, ideas,  
and the values that support excellence  
and service. It is a community that  
cherishes a common past and looks  
forward to an exciting future. The poet  
Langston Hughes tells us to ‘Hold fast to  
dreams.’ Remember that your dreams  
and, most important, your character  
will determine who you become.”

— **FREEMAN A. HRABOWSKI, III**  
*President of UMBC*

*Freeman A.  
Hrabowski, III*  
President of UMBC

Dr. Freeman A. Hrabowski, President of UMBC (University of Maryland, Baltimore County) since 1992, is a consultant on science and math education to national agencies, universities, and school systems. He was named by President Obama to chair the President's Advisory Commission on Educational Excellence for African Americans. He also chaired the National Academies' committee that produced the report, *Expanding Underrepresented Minority Participation: America's Science and Technology Talent at the Crossroads* (2011). His 2013 TED talk highlights the "Four Pillars of College Success in Science."

Named one of the 100 Most Influential People in the World by *TIME* (2012) and one of America's Best Leaders by *U.S. News & World Report* (2008), he also received TIAA-CREF's *Theodore M. Hesburgh Award for Leadership*

*Excellence* (2011), the Carnegie Corporation's *Academic Leadership Award* (2011), and the *Heinz Award* (2012) for contributions to improving the "Human Condition." More recently, he received the American Council on Education's *Lifetime Achievement Award* (2018) and was named a recipient of the University of California, Berkeley's *Clark Kerr Award* (2019). UMBC has been recognized as a model for inclusive excellence by such publications as *U.S. News*, which the past 10 years has recognized UMBC as a national leader in academic innovation and undergraduate teaching. Dr. Hrabowski's most recent book, *The Empowered University*, written with two UMBC colleagues, examines how university communities support academic success by cultivating an empowering institutional culture.

A MESSAGE TO THE UMBC  
*Class of 2020*  
FROM PRESIDENT HRABOWSKI

---

Dear Class of 2020,

This is a moment of celebration for you and your families. That you have completed the requirements for your degrees during this challenging time demonstrates your grit, determination, and tenacity. While it is unfortunate we cannot be together in-person at the moment, I want you to know how proud we all are of you. Your class is the 50th to graduate from UMBC, and the unique challenges you have withstood getting to this point only deepen the mark you will leave on this institution and our shared history.

This is a generation-defining moment, and the lessons we take from it will shape the future of our country. It is a reminder of life's unpredictability, and of the importance of gaining knowledge that we can apply in challenging situations. It has also reminded us of the need for patience and understanding, and the value of relationships and community. I challenge you to take time in the days and weeks ahead to reflect on the academic journey that brought you to this point, and on all the people who provided you with support and encouragement. You have reached an important milestone, and the dreams and values that have guided you will sustain you in the years ahead.

Congratulations, Class of 2020. You inspire us. The world needs you now more than ever.

Sincerely,

Freeman A. Hrabowski, III

A MESSAGE TO THE UMBC

*Class of 2020*

FROM UMBC'S FIRST GRADUATING CLASS

---

Hello, UMBC Class of 2020!

We, the UMBC Class of 1970, congratulate you on your accomplishments and recognize you for the many ways you have individually and collectively enabled UMBC to continue to shine its bright light in the academic community and beyond.

We are by no means strangers to disruption of normal campus activities. The four years we spent on the UMBC campus were fraught with many daily events which we found to be challenging. The first day, September 19, 1966, we were greeted by many work-in-progress facilities, often with difficult access, and less-than-adequate methods of campus communication – all growing pains of a new university campus. As time progressed, we faced additional challenges sparked by a new awakening to social, economic, and political issues such as the Vietnam War, the struggle for equal rights for all Americans, and the acceptance of freedom of expression by those working to enact change.

The threats to the normal flow of activities during our final days on the UMBC campus included a possible weather event during the outdoor June 1970 Commencement for our 230 graduates, as well as a planned political demonstration designed to disrupt the actual graduation ceremony. Our successful graduation was possibly threatened, but in retrospect, it was minor compared to the current set of circumstances facing you as you leave your university life.

We salute you for exhibiting the resilience, patience, understanding, and grit that has become a hallmark of those who have called UMBC their academic home. We will never forget what you have been denied at this time. Fifty years after our graduation, you are our heroes! This is your time and you will not be denied heartfelt congratulations and recognition by us.

### Honors

#### HONORS

Honors are based upon coursework taken over the duration of a student's entire undergraduate academic career at UMBC. To be eligible for Honors, students must have earned at least 60 graded credits at UMBC (excluding Pass/Fail and Audit grades) with a GPA requirement as follows:

**Summa cum laude**  
*With highest honor*  
3.95 - 4.0 GPA

**Magna cum laude**  
*With high honor*  
3.75 - 3.9499 GPA

**Cum laude**  
*With honor*  
3.5 - 3.7499

While students may be provisionally recognized with Honors at the time of the Commencement ceremony and in the Commencement program, official determination of Honors occurs after the Commencement ceremony, once final semester grades have been submitted and calculated. The diploma of the University and an official final transcript are the only documents that officially award Honors at the time the degree is conferred by the University.

## *Alumni Association Program and Services*

Founded in 1970, the UMBC Alumni Association is the official representative body for more than 81,000 alumni. All graduates are automatically members for life and there is no membership fee. The goal of the association is to serve the interests of alumni through educational, charitable, social, or cultural programs and involve alumni in the advancement and support of UMBC.

The association is governed by a Board of Directors who work with staff in the Office of Alumni Engagement to keep alumni connected and engaged with one another, current students, faculty and staff, and the university.
