

UMBC STUDENT IDEA LAB AND BUSINESS INCUBATOR PROGRAM

PURSUE YOUR DREAMS

Our focus is to accelerate your entrepreneurial endeavors! You can bring life to your business concept by taking advantage of the UMBC Student Idea Lab and Business Incubator Program.

We support UMBC student entrepreneurs and faculty engaged in the start-up phase of running a high-technology business by providing meeting space, business advice and mentoring.

HOW CAN THE IDEA LAB HELP YOU?

- Assists you with refining your business idea and determining market feasibility
- Provides 24-hour access to office resources and equipment
- Offers mentoring and business advice
- Facilitates interaction with techcenter@UMBC staff and business professionals

STUDENT MINIMUM CRITERIA

- At least a sophomore at UMBC
- Minimum GPA of 2.50
- Required to meet monthly with selected business advisors to report and measure progress in the Idea Lab.
